

Free Health and Social Care Courses

Why do employees need health and social care qualifications?

- These courses teach staff the principles of dignity, respect, and person-centred care, which are essential in health and social care settings
- Ensures compliance with national care standards and regulations
- Employees learn how to protect individuals from harm, abuse, and neglect
- Training covers recognising warning signs and reporting procedures

How can we help?

Delivery of a free Certificate in Health and Care Entry Level 3 - Level 2
Award in Infection Control and Prevention
